Element 03

Large modular tables for meeting and conference rooms and flexible collective spaces, designed to foster collaboration and the sharing of resources.

The two basic components of Element 03 – a center module with a bridge-like structure and an overhanging top – can be combined to create a single table of any desired length.

The geometry of the structural system permits the end sections of the tabletop to overhang by 120 cm on each side without compromising performance in terms of stability and stiffness. The contoured legs taper downwards, with a larger section just below the top and a smaller section near the floor.

The structure is entirely in painted aluminum.

Covered by extraclear, back-painted, satin-finished safety glass or with a wood finish, the table top is fitted with a series of functional accessories that can be accessed directly by means of a center cable raceway, including: HDMI connections for high-quality video data, USB connections, access hatches to electrical outlets, and connection points for recharging smart phones and tablets. The cables are fed to the cable raceway through one of the legs.

Electrification kit

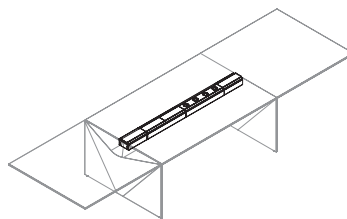

Electrification kit for module length cm. 180 220V

Composition 1

V EL 03 KE 180 001 ..
Kit composed by:
n.2 side inserts width cm.30

n.1 insert width cm.60 with
n.2 access hatches

n.1 insert width cm.60 with
n.2 USB, n.1 RJ45, n.1 HDMI
and n.2 USB

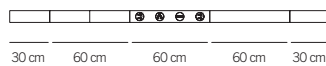

Composition 2

V EL 03 KE 180 002 ..
Kit composed by:
n.2 side inserts width cm.30

n.1 insert width cm.60 with
n.2 access hatches

n.1 insert width cm.60 with
n.8 USB

Electrification kit for module length cm. 240

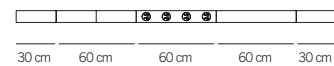

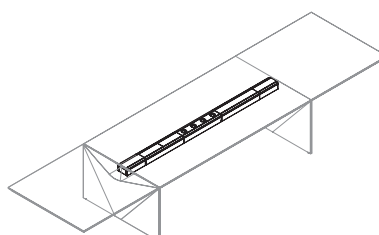

Composition 1

V EL 03 KE 240 001 ..
Kit composed by:
n.2 side inserts width cm.30

n.1 insert width cm.60

n.1 insert width cm.60 with
n.2 access hatches

n.1 insert width cm.60 with
n.2 USB, n.1 RJ45, n.1 HDMI
and n.2 USB

Composition 2

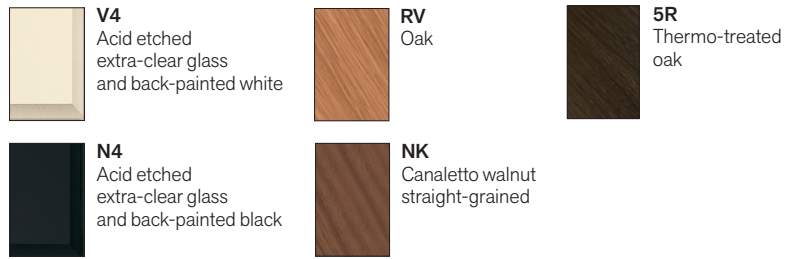

V EL 03 KE 240 002 ..
Kit composed by:
n.2 side inserts width cm. 30

n.1 inserts width cm. 60

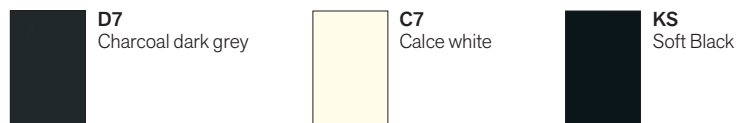

n.1 insert width cm. 60 with
n. 2 access hatches

n.1 insert width cm. 60 with
n. 8 USB
